- a) At each Annual General Meeting, audited accounts by at least one (1) warranted auditor shall be presented to the voting members of the Federation.
- b) The voting members may approve the audited accounts during the AGM.
- c) Members of the councils shall not be eligible for appointment as auditors.

35. Indemnification of Administrative Council and others

The members of the Administrative Council, representatives, Federation members, and auditors shall be indemnified by the Federation for all losses and expenses incurred by them in their discharge of their respective duties, except for those arising from their own respective wilful default, or, in the case of an auditor, as a result of his own negligence or wilful default, or that of any partner or employee of such auditor.

36. Members of Administrative Council and others not liable for losses

No member of the Administrative Council, representatives, Federation member, or auditor shall be liable for any misdemeanour of any other member of the Administrative Council, representatives or auditor, or for joining in any receipt or document, or for any act of conformity, or for any losses or expenses happening to the Federation, unless the same happens from his own wilful default, or in the case of an auditor from his own negligence or wilful default, or that of any partner or employee of such auditor.

37. Members to be bound by the statute

Every club, foundation or association, prior to becoming a member of the Malta Motorsport Federation, shall undertake to be bound by the statute and the bye laws in force at the time of their admission, or which shall be in force from time to time thereafter, and also to accept as final and binding the decisions of the Administrative Council in all cases of disputes or disagreements as to the interpretation of the statute, bye laws, and all other regulations issued by it.

38. Disciplinary and Appeals Commissions

The Administrative Council of the Federation shall establish a Disciplinary Commission which shall be composed of 3 persons appointed and approved by the Administrative Council chosen from outside the MMF but may also be chosen from among the affiliated members of the Federation and who shall have no personal interest whatsoever in any matter being discussed. The decisions taken are binding. However, decisions taken by the Disciplinary Commission may be appealed to an Appeals Commission. For this purpose, The Federation shall appoint an Appeals Commission which shall be composed of 3 persons who shall be approved by the Administrative Council chosen from outside the MMF but may also be chosen from among the affiliated members of the Federation. No member sitting on the Appeals Commission may have any personal interest in any matter being discussed. Decision taken by the Appeals Commission shall be final. Members of the Administrative Council shall not be eligible for appointment on the Disciplinary Commission and/or Appeals Commissions.

39. Vote of No Confidence

A vote of no confidence on an officer, is a vote which can be taken during a Council meeting after due notification in the meeting Agenda.

- i. For a vote to be taken, it must be duly requested in writing to the general secretary, seconded by another council member, stating the main reasons for the motion before inserting it in the meeting agenda and any vote is taken.
- ii. Officer must be notified with the motion, who must attend the meeting. If officer does not attend the meeting without due notification for his absence and/or does not attend two consecutive convened meetings with such notification in the Agenda, then motion can pass for vote in his absence.
- iii. If a 'Vote of No Confidence' is approved by the majority of those present during the council meeting, then the officer can appeal against the vote of no confidence with the Appeals Commission as per Bye Laws 40 of this statute within 15 days from the vote.

- iv. If the Appeals board re-confirms the vote taken by the Council, and/or if the officer does not appeal against this vote of no confidence, then the officer is no longer deemed fit to hold his position and will lead to his immediate dismissal from his post within the Federation.
- v. Officers whose term of office was terminated by a vote of no confidence cannot hold office and/or attend any Federation meetings and/or be part of any activities of the Federation for at least after 24 months from the date of the vote of no confidence.
- vi. If the Appeals Commission does not withhold the council vote, then officer can retain his post and vote of no confidence will be declared as defeated.

40. Censure Motion

A censure motion on an officer is meant to show disapproval and does not result in the resignation of that officer from his position in the Federation. Censure motions, which do not need to be notified in the meeting Agenda, need to state the reasons for the motion during Council meeting before any vote is taken. Officer who is served with a censure motion, may be present during the meeting, so that a vote can be taken during the council meeting but is not compulsory.

PART. 5 COMING INTO FORCE OF THE STATUTE AND BYE LAWS OF THE FEDERATION
