## STATEMENT BY APPLICANT

### Statement to be read and completed by applicant:

I agree to be bound by the rules and regulations of the events I will be participating in and with the requirements of the Malta Motorsport Federation ("MMF") in all matters, including all MMF regulations in force at the time of the application and / or MMF Regulations that may be issued during the validity of this license and / or the FIA International Sporting code and its relative appendices.

In exchange for being able to attend or participate in these events, I agree:

- to release MMF, member organisations, clubs, associations and foundations, any promoters/sponsor organisations, land owners and lessees, organisers of the events, their respective servants, officials, representatives and agents (collectively, "the Associated Entities") from all liability for my death, personal injury (including burns), psychological trauma, loss or damage (including property or vehicle damage) (hereinafter referred to as "harm") whatsoever arising from my participation in or attendance at the events, except to the extent prohibited by law;
- that I will not do anything that could damage the reputation of or have any negative effect on motorsport generally. I understand that MMF and the Associated Entities could take disciplinary action against me if I do so;
- to attend or participate in the event at my own risk.

I acknowledge that:

- The risks associated with attending or participating in the event include the risk that I may suffer harm as a result of:
  - vehicles (or parts of them) colliding with other vehicles, person or property;
  - acts of violence and other harmful acts (whether intentional or inadvertent) committed by persons attending or participating in the events; and
  - the failure or unsuitability of facilities (including grand-stands, fences, barriers and guard rails) to ensure the safety of persons or property at the event.
- Motor sport is dangerous and that accidents causing harm can and do happen and may happen to me.

I accept the conditions of, and acknowledge the risks arising from, attending or participating in the events provided/endorsed/facilitated by MMF and/or their Associated Entities. I certify that the statements made to MMF regarding my psychological and physical conditions and any previous illness are true and accurate. I declare that, should any of the above conditions become evident during the validity period of this licence, I agree to abstain from exercising the privileges granted to me in virtue of this licence and to notify MMF and/or their Associated Entities by submitting to further medical examination, the results of which are to be forwarded to MMF. I agree to undertake any anti-doping analysis tests, including any test for alcohol that may be considered necessary by MMF. I authorise any hospital or medical practitioner to furnish information relevant to my medical condition to MMF's medical assessor in order to determine my fitness to compete and/or participate in such motorsport events. I understand and authorise the MMF to hold my personal information on its database for the purposes herein prescribed. If applying for professional status, I confirm that for the last tax year prior to this application, I declared my earnings as a competitor in motorsport and therefore request that the MMF endorse my licence with the word 'Professional' and further with the EU flag, in accordance with the FIA regulation 52.
