

Addendum to the National Karting Regulations

Registration to events

The registration to the National Karting Championship is done online and the opening and closing dates are published by the organising clubs.

Categories forming part of the 2024 National Karting Championship

By registering for the events, all competitors will be enrolled to the National Karting Championship and would be obliged to conform with the National Karting Regulations. There are no specific restrictions on equipment used except those specifically mentioned in the National Karting Regulations.

The categories of the National Karting Championship are:

- GR3
- Rotax Micro
- Iame X30 – Junior
- Iame X30 – Senior
- Iame X30 – Masters
- Vortex - Senior
- Vortex - Masters
- Rotax Max – Senior

Categories forming part of the 2024 Brand Championships

In accordance with Art 10.1.2 of the National Karting Championship, applicants may also compete in Brand Championships if their application is eligible for the such. Certain restrictions on equipment used applies to some of these categories. It is the responsibility of applicants to familiarise themselves with these restrictions. Classes eligible for Brand Championships are the following:

- Iame X30 – Junior
- Iame X30 – Senior
- Iame X30 – Masters
- Vortex - Senior
- Vortex - Masters
- Rotax Max – Senior
